

Rechnen

macht

Spaß!

Hier werden die Einer mehr:

$14 + 3 = \square$

$93 + 6 = \square$

$25 + 4 = \square$

$55 + 2 = \square$

$31 + 6 = \square$

$82 + 7 = \square$

$54 + 3 = \square$

$45 + 3 = \square$

$12 + 6 = \square$

$11 + 7 = \square$

$24 + 4 = \square$

$53 + 4 = \square$

$43 + 4 = \square$

$33 + 3 = \square$

$34 + 5 = \square$

$16 + 3 = \square$

$92 + 2 = \square$

Hier werden die Zehner mehr:

$\underline{2}5 + \underline{2}0 = \square$

$\underline{1}9 + \underline{1}0 = \square$

$\underline{2}5 + \underline{4}0 = \square$

$\underline{2}9 + \underline{3}0 = \square$

$\underline{3}3 + \underline{3}0 = \square$

$\underline{6}2 + \underline{2}0 = \square$

$\underline{4}5 + \underline{4}0 = \square$

$\underline{4}6 + \underline{5}0 = \square$

$\underline{3}4 + \underline{4}0 = \square$

$\underline{1}8 + \underline{5}0 = \square$

$\underline{6}1 + \underline{2}0 = \square$

$\underline{3}4 + \underline{6}0 = \square$

$\underline{5}5 + \underline{3}0 = \square$

$\underline{7}6 + \underline{2}0 = \square$
